

In the Silence (Bm)

Bm A G A
Tired of telling you, you have me

Bm A G
When I know you really don't

Bm A G
Tired of telling you I'll follow

 Bm A G D/F#
When I know I really won't

Em D/F# G
Cause I'd rather stand here speechless

 Bm D/F# G
With no great words to say

Em D/F# G
If my silence is more truthful

 Bm D/F# G Asus
And my ears can hear how to walk in your way

Chorus:

 Bm A D/F# G
In the silence You are speaking

 Bm A D/F# G Bm A D/F# G
In the quiet I can feel the fire and it's burning, burning deeply

 Bm A D/F# G Bm A D/F# G Bm A
Burning all it is that you desire to be silent,
D/F# G
In me

Bm A G A
 Oh Jesus can you hear me?
 Bm A G
 My soul is screaming out
 Bm A G
 And my broken will cries teach me
 Bm A G D/F#
 What your kingdom is all about
 Em D/F# G
 Unite my heart to fear you,
 Bm D/F# G
 To fear you're holy name
 Em D/F# G
 And create a life of worship
 Bm D/F# G Asus
 In the spirit and truth of your loving ways.

Chorus:

Bm A D/F# G
 In the silence You are speaking
 Bm A D/F# G Bm A D/F# G
 In the quiet I can feel the fire and it's burning, burning deeply
 Bm A D/F# G Bm A D/F# G Bm A
 Burning all it is that you desire to be silent,
 D/F# G
 In me
