

Jacob's Dream (Dm)

Dm G/B C Dm G/B C
Jacob really longed to be a hero, all I really wanted was a friend.

Bb G/B
I'm the Way, the Life, the Truth

C Dm C/E F
So tell Me Jacob when will the lying end?

Dm C/E F
And does the striving make you strong?

Bb G/B C
'Cause when I came to love on you

Dm C/E Gsus G
You fought me till the dawn.

Dm C/E D/F# G Asus A
Finally Jacob's lying down and while he sleeps I will dream

Dm C/E D/F#
Of a generation not known for their crowns,

G Asus A
Or success, but a King...

Dm C/E D/F#
Who was not so much as interested in crowds,

G Asus A
or pleasing men, but knowing Me.

Bb G/B C Dm C/E F G
I have given Jacob's generation the key of David, intimacy.

Bb G/B C
To open up the doorway to the nations,

Dm C/E F Gsus G
and release revelation, of intimacy...

Bb G/B C Dm C/E F Gsus G
With me.

Dm G/B C
 Jacob had a dream for all the ages
 Dm G/B C
 Jacob had a drive to build a nation
 Bb G/B C
 But the striving is in vain if your only aim
 Dm C/E F
 is to build your own great name
 Dm C/E F
 'Cause My dream's not what you do
 Bb G/B C Dm C/E Gsus G
 Jacob will you dream for me the way that I have dreamed for you
 Dm C/E D/F# G Asus A
 Finally Jacob's lying down and while he sleeps I will dream
 Dm C/E D/F#
 Of a generation not known for their crowns,
 G Asus A
