

# Joshua (G)

G F#m G/E  
Joshua on his face before the Lord  
Frightened by the Amorites swift sword

Gsus/D#  
God said Joshua take a stand

Gsus/D#  
Remember my command:

Gsus/D# G/E Dsus  
There is no victory without hearts of purity

D Am G/B  
Spirit of God

C  
Spirit of purity

Am G/B  
Spirit who knows

C  
Spirit who sees

Am G/B C  
Fire from Heaven, come

Am G/B C  
Redeeming presence, come

Em  
So before we go to battle  
D  
We want to make sure that  
we're clean  
C  
We want to get our house in  
order  
Em/B B/D# (D)  
And have hearts of purity

Em - D/Em

Holy, holy, holy, holy fire, holy fire of God  
Cleanse us Holy One, cleanse us Holy One, holy fire of God  
///Purity and victory/// cannot separate them

G F#m G/E  
You and I have heard the tempters plea  
That sin will only hurt if someone sees

Gsus/D#  
So we fight the fight to win

G/D  
Forgetting once again

Gsus/D# G/E Dsus  
There is no victory without hearts of purity
