

# Dream Before You (E)

E                    A            E  
I... I hear you calling me

A            E                    B  
To give you all my desires

E                    A            E  
And I... I feel You drawing me

A            E                    B        Bsus4  
Into a place that's higher... yeah

E                                    A2 E A2            E                    Bsus4  
\*\*And I believe... (La, la, la, la, la... la, la, la, la, la, la)\*\*

Bsus4                                    (E A E A E A)  
I (We) come to dream before You

Bsus4                                    (E A E A E A)  
And give You the hope of all my (our) days

Bsus4                                    (E A E A E A)  
I (We) lay my (our) dreams before You

Bsus4  
Let them be a sacrifice, let them be a sacrifice

A2            E            A2  
Let them be a sacrifice of praise, praise, praise

E                                    A E A            E                    B  
And worship to your name (La, la, la, la, la... la, la, la, la la, la - yeah)

E                    A            E  
What, what could limit You?

A                    E                    B  
For You are God and not a man (hey, hey)

E                    A            E            A            E                    Bsus4  
And what, what could keep You from doing what You've got planned? \*\*

C#m                                    E2  
Move me and guide me as I press in

C#m                                    E2                                    (E A E A E Bsus)  
Then stand there beside me in this place I've never been, yeah
