**E E/D# C#m E/B A2 E Bsus4/D#**  
1. The air was thick and still and cool the earth was slowly spinning  
2. I heard Your every cry I knew the rhythm of Your laughter  
3. So rest and dream 'tho I don't slumber know I'm dreaming with You

**E E/D# C#m E/B A2 E Bsus4/D#**  
The stars were bright and new I saw You there in the beginning... and  
And how my heart was torn in two by all that would come after... still  
With a heart so full of tenderness and love and wonder for You... that

**A2 Bsus4 E E/D# C#m E/B A2 Bsus E E/D# C#m**  
I... hung the moon for You, Oh I hung the moon for You

**E/B A2 E A2 Bsus4/D#**

Don't think twice, lean against the wind  
**C#m F#m Bsus4**  
It's al – right, I'm holding on, I'm holding on,  
**Am E E/D# C#m E/B**  
I'm holding on to You

**E E/D# C#m E/B A2 E Bsus4/D#**  
So rest and dream 'tho I don't slumber know I'm dreaming with You
