Though the storms rage against me

Though the flood waters rise

Though the stars and the planets should fall from the sky

//Still I choose...//

To worship You

Though my dreams seem to crumble

Em G A2  
Though the vision should tarry

Em G C  
'til I'm broken and bruised 'til I'm wounded and weary

Em G A2  
'tho the blessing is promised but I can't see the fruit

For You... You are worthy

And Your ways are so much higher

Than my understanding my cares or my desires

Em G A2  
I will lift up Your glory

Em G A2  
I will not be ashamed

Em G C  
I give honor and blessing and strength to Your name

Though the world should forsake me and call me a fool
